local volunteer help needed

Green Okanogan is an equal opportunity provider and employer

Hours of Operation	Tuesday	Thursday	Saturday
Summer	12pm-6pm	10am-4pm	10am-4pm
Winter	12pm-4pm	10am-4pm	10am-4pm

Green Okanogan operates as the local recycling & reuse center for the north of Okanogan County. We work with individuals, businesses, and organizations to collect and responsibly handle recyclable and reusable materials. Our goal is to divert these from our community's (and the earth's) waste stream, and to connect people with quality used items they need at an affordable price.

- Our **GO Recycle** center is open 3 days per week, year-round, and currently accepts some plastics, most paper products, and many metals. (See chart on page 2)
- Our **GO Again thrift store** accepts donations of gently used home improvement and building supplies. The store is open to both accept goods and resell them during our recycling center hours. GO Again is proving VERY popular—stop by and check us out! We often list interesting items for re-sale on Facebook (but we don't hold items—first come, first serve :-)
- Green Okanogan participates in the **E-CYCLE Washington** program. (See chart on page 2, or go to www.ecy.wa.gov/programs/swfa/eproductrecycle to see which electronics are accepted.

What we do NOT do: We currently do NOT accept glass, ferrous scrap metal, appliances, and many plastics. There are no after-hours drop boxes; please don't leave materials at our front gate when we're closed. And please do not bring us your garbage--we must pay to haul and landfill it.

- **Green Okanogan is a 501c3 non-profit organization.** Donations to help improve our recently purchased property are appreciated. You can do so when visiting, by mail, or securely online at www.GreenOkanogan.org/PropertyFund
- **GO asks for a donation or membership status when dropping off recyclables.** Please become a member when visiting, or securely online at www.GreenOkanogan.org/GO_Membership or donate 3-5 dollars when you use the recycling center.
